

JELSON LANTO

Sr. Software Engineer

About Me

Full Stack Developer with over 12 years of expertise in creating and implementing reliable online applications. Extremely competent and driven. Proficient in front-end but mostly back-end technologies, providing scalable, high-performing, and seamless solutions. Proficiency with a broad spectrum of tools, frameworks, and programming languages, guaranteeing optimal user experience and end-to-end functioning.

Experience

- 2022- Present
FREELANCE DEVELOPER
Web Developer
From time to time I accepts students and masteral projects. Developing a small web and mobile applications for their capstone projects.
- 2019 - 2024
SAPERE MARKETING LLC | 16192 Coastal Hwy, Lewes, DE 19958
Sr. Software Engineer
Sapere Marketing is a US based company, I worked on this company as a fulltime developer and I handle all our clients projects such as e-commerce site, real estate application and a repair credit site. After 2 years I became the head developer of our company, still has a development task but mostly I was assigned to check and instruct the tasks of my co-workers.
- 2011 - 2019
QUANTUM X, INC | 62 Stanford, Cubao, Quezon City
Sr. Web Developer
I was assigned to develop and maintain the top manpower website here in the Philippines and develop a server-side applications using Laravel framework for Manpower agency web application named IRIS.
